Neither Seller nor Buyer shall be liable for any failure or delay in performing its obligations hereunder, or for any loss or damage resulting therefrom, due to any cause beyond their reasonable control and without their fault or negligence. - e. Seller shall indemnify and save harmless Buyer from and against any and all damages, liabilities, penalties, fines, costs, and expenses, including attorney fees, arising out of claims, suit, allegations or charges of Seller's failure to comply with all applicable "Export Regulations" of the United States. Any failure of Seller to comply with the provisions of this Export Controls clause shall be a material breach of the Order.
- f. Seller acknowledges that it will be responsible for ensuring that all Government export control requirements will be conveyed to all sub-tier suppliers or subcontractors that will be provided or may have access to Technical Data and Defense Services provided under the Order.

38. INDUSTRIAL PARTICIPATION OBLIGATIONS

- b. To the exclusion of all others, Seller agrees that Buyer, its subsidiaries, affiliates or its designees may use the value of the Order to satisfy Industrial Participation Obligations that Buyer may have with Seller's country. Promptly after selection of a non-U.S. supplier for work under the Order, Seller shall notify Buyer of the name, address, supplier point of contact (including telephone number) and dollar value of the subcontract. To the exclusion of all others, Seller agrees that Buyer, its subsidiaries, affiliates or its designees may use the value of such credits to satisfy Industrial Participation Obligations that Buyer may have.

- e. Seller shall include the substance of this Industrial Participation Obligations, in favor of Buyer, in its subcontracts issued at all tiers pursuant to the Order.

39. COMMUNICATIONS

- a. Except as required by law, Buyer shall be solely responsible for all liaison and coordination with Buyer's customer, including the Government, as it affects the Prime Contract, the Order, and any other related contract. Notwithstanding the foregoing, Seller may, in the normal course of business, communicate with the cognizant DCMA and DCAA liaison as required by federal acquisition regulations and directives. Seller shall immediately notify Buyer of any such communication and include a brief summary of the points discussed as related to the Order.
- b. Seller shall not communicate with Buyer's customer with respect to any dispute between Seller and Buyer.

40. ASSIGNMENTS, CHANGES TO NAME OR PLACE OF MANUFACTURE

- d. Seller shall not change the location of performance or manufacture of the Work to be provided to Buyer under the Order without Buyer's prior written consent.

41. DISPUTES

- a. In the event of a dispute between Buyer and Seller (other than a Government Dispute described in paragraph b. below), with respect to the rights, duties, or obligations of the Parties hereunder, the dispute shall be submitted in writing for resolution to ascending levels of management of the respective Parties up to the executive level.
 - (i) If the parties' ascending levels of management are unable, after good faith efforts, to settle the dispute to the mutual satisfaction of both Parties within sixty (60) calendar days after the dispute is submitted in writing, or such later date as the Parties may have agreed in writing, either Party may submit the dispute to a court of competent jurisdiction. **TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY AGREES TO WAIVE ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY.** Notwithstanding the above, either Party may seek injunctive or other equitable relief, at any time, in any court of competent jurisdiction within the State the Order was issued.
 - (ii) Pending final resolution of any dispute, Seller shall proceed with performance under the Order unless otherwise instructed by Buyer.
- b. Notwithstanding subparagraph (a) above, the following process applies for Government Disputes:
 - (i) A Government Dispute will be resolved pursuant to the Prime Contract's "Disputes" clause. For any Government Dispute, Seller may submit a detailed claim to Buyer including, for any claim in excess of \$100,000, an appropriate Seller certification that: (1) the claim is made in good faith, (2) the supporting data are accurate to the best of Seller's knowledge and belief, (3) the amount requested accurately reflects the Order adjustment for which Seller believes the Government is liable, and (4) the certifying official is duly authorized to certify the claim on behalf of Seller. Buyer shall, upon receipt of adequate information from Seller, submit an appropriate corresponding claim to the Government Contracting Officer pursuant to the "Disputes" clause of the Prime Contract.
 - (ii) If a decision on a question of fact or law is issued by the Government Contracting Officer under the Prime Contract "Disputes" clause, whether or not based on a claim submitted by Buyer, and the decision relates to the Order, said decision, if binding upon Buyer under the Prime Contract, shall also be binding upon Buyer and Seller with respect to the Order. However, if Seller is adversely affected by such decision and if Buyer elects not to appeal such decision or bring suit under the "Disputes" clause of the Prime Contract, Buyer shall notify Seller promptly. After receipt of such notice by Buyer, if Seller submits a timely request to Buyer to appeal such decision or bring suit, Buyer shall file an appeal or bring suit. If Buyer appeals such decision or brings suit, whether at its election or at Seller's request, any decision on such appeal or suit, if binding upon Buyer under the Prime Contract, shall be binding on Buyer and Seller as relates to the Order.
 - (iii) To the extent any such appeal or suit is taken or brought by Buyer at Seller's request, and to the extent requested by Buyer, Seller shall prosecute for Buyer the appeal or suit. In such event and to such extent, Seller shall select litigation counsel, which must be experienced in government contracts litigation; and Seller shall pay all costs and expenses of the litigation brought on Seller's behalf, including attorney's fees. Litigation counsel so selected by Seller will represent Buyer in the suit or appeal, but Buyer agrees that Seller may direct the litigation to the extent related to Seller's claim or interest, subject to the overall supervision of the litigation and ultimate decision-making in the case by Buyer. Buyer also may select counsel to advise Buyer on, or to monitor, any appeal or suit taken or brought by Buyer at Seller's request, in which event Seller agrees to pay the reasonable costs of such counsel. Buyer shall reasonably assist Seller in any appeal or suit being directed by Seller pursuant to this paragraph, and Seller shall reimburse Buyer for its costs incurred in assisting Seller.
 - (iv) During the pendency of any Government Dispute or any appeal or suit under the Contract Disputes Act, any monies due or becoming due to Seller under the Order that are in question may be withheld by Buyer until the dispute is finally resolved. If, as a result of any decision or judgment which is binding upon Buyer, Buyer is unable to obtain payment or reimbursement from the Government under the Prime Contract for, or is required to refund or credit to the Government any amount with respect to any item of cost or fee for which Buyer has paid or reimbursed Seller, Seller shall, upon demand, promptly repay such amount to Buyer.
 - (v) The Parties agree to accept the relief as to a time extension or additional compensation obtained from the Government,

TC-05 Terms and Conditions for Time & Material and Labor Hour U.S. Government Orders

if any, as well as all other aspects of the final decision under the Contract Disputes Act following appeal or the expiration of the time for appeal as full and final resolution of any Government Dispute.

- (vi) Buyer's maximum liability to Seller arising from or relating to a Government Dispute or an appeal or suit brought under the Contract Disputes Act shall not exceed the amount of Buyer's actual recovery from the Government.
- (vii) If the Order is issued by Buyer under a subcontract held by Buyer, and if Buyer has the right under such subcontract to appeal a decision made by the Contracting Officer under the prime contract in the name of the prime contractor, and said decision is also related to this Order, this disputes clause shall also apply to Seller to the extent allowable and in a manner consistent with its intent and similar to its application had the Order been issued by Buyer under a Prime Contract with the Government.
- (viii) Nothing said or written in the prosecution of any claim against the Government shall constitute or be regarded as admissions or declarations against interest of either Party in any litigation between Buyer and Seller.
- (ix) Pending resolution of any dispute, Seller shall proceed as directed by Buyer in writing.
- (x) The rights and obligations of this clause shall survive completion of and final payment under the Order.

42. APPLICABLE LAWS

The Order and any dispute arising hereunder shall be governed by the substantive and procedural laws of the State of California, except, however, that California's choice of law provisions shall not apply.

43. ATTORNEY FEES

If it is necessary for either party to obtain legal representation to enforce any part of the Order, the non-prevailing party agrees to bear the court costs and the attorney fees of the prevailing party.

44. NON-WAIVER

The failure of Buyer to insist, in one or more instances upon performance or to exercise any rights shall not waive or relinquish to any extent Buyer's right to assert or rely upon any such terms or rights on any future occasion.

45. PRECEDENCE

If any of the provisions of the Order are in conflict, the following will be the order of precedence:

- (i) full text provisions contained within the Order;
- (ii) terms and conditions contained herein and referred to as TC-05;
- (iii) statement of work (the most recently agreed to and issued version of statement of work shall control, and Buyer's statement of work will prevail over any subsidiary documents referenced therein);
- (iv) specifications attached or incorporated by reference (the most recently agreed to and issued version of specifications shall control, and Buyer's specifications will prevail over any subsidiary documents referenced therein), and
- (v) other documents, exhibits, or appendices attached to or incorporated by reference into the Order.

In the event of any conflicting provisions, Seller shall promptly notify Buyer thereof.

46. ENTIRE AGREEMENT

- a. These terms and conditions, and those on the face of the Order to which this form is attached, including other specifications or documents incorporated by reference, constitute the complete and exclusive agreement between Buyer and Seller, and supersede all previous negotiations, discussions, communications, representations, agreements, arrangements or understandings, whether written or oral, between the parties related to the subject matter of the Order.
- b. No course of prior dealings between the Parties, and no usage of trade, shall be relevant to supplement or explain any term used in the Order.
- c. No agreement or understanding varying or extending the terms or conditions of the Order will be binding unless executed in writing by Buyer's Authorized Procurement Representative.
- d. If any provision of the Order is declared to be invalid, illegal or unenforceable by a court of competent jurisdiction, the remainder of the provisions in the Order shall remain valid, enforceable and in full force and effect, and the Parties will negotiate in good faith to substitute a provision of like economic intent and effect.
