“Foreground IP” means Intellectual Property conceived, developed or first reduced to practice by, for or with a Party either alone or with others in the performance of the Order.

a. Except as otherwise agreed to in the Order or these Terms and Conditions, if the Order is for, or includes, experimental, development, or research work, all Intellectual Property conceived, originated, created or first reduced to practice by Seller prior to the period of performance of the Order or outside the scope of the Order will remain the property of the Seller (“Seller’s Background IP”). Seller grants to Buyer an irrevocable, nonexclusive, transferable, perpetual, paid-up, royalty-free, worldwide license (i) to use, reproduce, distribute, modify, and prepare derivative works of Seller’s Background IP and (ii) to use, make, have made, offer for sale, sell, distribute and import products and services that incorporate or embody Seller’s Background IP; in each case solely as necessary for the purpose of exploiting Buyer’s rights in the Goods or Foreground IP. Seller grants to Buyer such license rights for any purpose in the event Buyer cancels all or part of the Order for Seller’s default in accordance with the Termination for Default clause of these terms and conditions or in the event Buyer, in its own judgment, must provide Seller with design, manufacturing, or on-site support substantially in excess of what is required of Buyer under the Order in order for Seller to comply with the Order.

b. To the extent paid for with Government funds, all Foreground IP conceived, originated, created or first reduced to practice by Seller will be the exclusive property of Seller (“Seller’s Foreground IP”), as allowed under applicable laws and regulations governing the Order. Seller shall promptly notify Buyer in writing of all Seller’s Foreground IP. All other Foreground IP will be the exclusive property of the Buyer. Seller hereby transfers, conveys, and assigns all right, title and interest in Buyer’s Foreground IP free of charge to Buyer. Seller grants to Buyer an irrevocable, nonexclusive, transferable, perpetual, paid-up, royalty-free, worldwide license (i) to use, reproduce, distribute, modify, and prepare derivative works of Seller’s Foreground IP and (ii) to use, make, have made, offer for sale, sell, distribute and import Goods that incorporate or embody Seller’s Foreground IP in each case solely as necessary for the purpose of exploiting Buyer’s rights in the Goods and/or Seller’s Foreground IP and for purposes of meeting its Government customer Prime Contract commitments, or as otherwise permitted under the Order.

c. Seller shall indemnify, defend, and hold harmless Buyer, Buyer’s officers, affiliates, agents, employees, and customers against all suits or actions, losses, damages, claims and liabilities, including costs and expenses, attorney’s fees and cost of litigation/settlement, judgments, liens, court costs, and awards for any asserted trademark, copyright, or patent infringement or otherwise violates the intellectual property rights of a third party(ies) arising out of or resulting from the manufacture, use, or sale of any Goods furnished or delivered to Buyer under the Order.

26. ADVERTISING, USE OF NAME

Seller shall not, without first obtaining the written consent of Buyer, in any manner advertise or publish the fact that Seller has furnished or contracted to furnish Buyer the Goods provided for in the Order. Seller shall require that its subcontractors at any tier adhere to this same policy, and shall be responsible for any breach of such obligation by any of its subcontractors. Seller agrees that it shall not use the Buyer’s name or logo, nor any adaptation or variation thereof, in any manner whatsoever (including, but not limited to, website(s), press releases, reference lists, or similar public announcements concerning the Order or projects contemplated by the Order), without the Buyer’s prior written consent in each instance.

27. CONFLICT OF INTEREST

a. Seller shall exercise reasonable care and diligence during the term of the Order to prevent any action or condition which could result in the appearance of, or an actual, conflict of interest with those of Buyer. This obligation shall include the activities of the employees or agents of Seller and its family members in their interactions with the employees of Buyer and its family members, or Buyer’s customer representatives, vendors, or subcontractors.

b. Seller warrants that Seller’s performance of work under the Order will not give rise to an organizational conflict of interest, as defined in FAR subpart 9.5 and DFARS Subpart 209.5.

c. If Seller identifies an actual or potential organizational conflict of interest during the performance of the Order, Seller shall immediately make full disclosure in writing to the Buyer.

d. During the term of the Order, Seller agrees to not enter into contracts with the Government either as a prime or as a subcontractor that will give rise to an organizational conflict of interest as a result of Seller’s performance of work under the Order. A breach of this clause will authorize Buyer to terminate the Order for default.

28. INSURANCE AND PRECAUTIONS

a. Insurance: Seller shall procure and maintain during the term of the Order, and at its expense, insurance in sufficient amounts to ensure its obligations and liabilities hereunder. Such insurance shall include at a minimum the following:

ii. Commercial general liability insurance which includes broad form contractual, property damage, products/completed operations, personal injury, premises-operations, independent contractors and subcontractors. Coverage will be on a per occurrence basis with limits of liability no lower than $1,000,000 per occurrence and $1,000,000 general aggregate combined single limit, personal injury, bodily injury and property damage and $1,000,000 product/completed operations combined single limit for bodily injury and property damage.

c. Certificates of Insurance: Upon Buyer’s request, Seller shall furnish to Buyer certificates of insurance setting forth the amount(s) of coverage, policy number(s) and date(s) of expiration for insurance maintained by Seller. The Seller shall provide an endorsement on each policy in (a) above providing that Buyer shall receive 30 days prior written notification from the insurer of any termination or cancellation of coverage. Seller’s purchase of appropriate insurance coverage or the furnishing of certificates of insurance shall not release Seller of its obligations or liabilities under the Order.

d. Self-Assumption: Any self-insured retention, deductibles and exclusions in coverage in the policies required under this Insurance and Precautions clause will be assumed by, for the account of and at the sole risk of Seller or its subcontractor which provides the insurance and, to the extent applicable, will be paid by Seller or its subcontractor. In no event will the liability of Seller or any of its subcontractors thereof be limited to the extent of any of the minimum limits of insurance required herein.

e. Protection of Property: If Seller’s work under the Order involves operations by Seller on Buyer’s premises, Seller agrees to comply with all the rules and regulations established by Buyer for access to and activities in and around premises controlled by Buyer or Buyer’s customer, and take all proper precautions in its operations against the occurrence of injury to any person or damage to property, and to be responsible for and to hold Buyer harmless from all loss and any claim by reason of injury, including death, to any person or damage to property in connection with such work, and from all fines, penalties, or loss incurred by reason of failure to comply with this Insurance and Precautions clause.

29. INDEMNIFICATION

a. Seller shall indemnify, defend, and hold harmless Buyer, Buyer’s officers, affiliates, agents, employees, and customers against all suits or actions, losses, damages, claims and liabilities, including costs and expenses, attorney’s fees and cost of litigation/settlement, judgments, liens, court costs, and awards for: (i) any breach of representations, certifications, and warranty of Seller hereunder, and (ii) damages of any kind and nature whatsoever incurred by Buyer or any third party for property damage, personal injury or death (including without limitation injury to or death of employees of Seller or any subcontractor thereof), as a result of, arising out of or in any way related to any act or omission of the Seller’s officers, employees, agents, suppliers, or subcontractors at any tier, in the performance of any of its obligations under the Order.

b. Buyer shall notify Seller in writing of such claim and Buyer shall provide Seller with reasonable information and assistance, at Seller’s expense, for the defense thereof.

30. TAXES

a. Unless Buyer furnishes a valid exemption certificate or other similar evidence of exemption for the taxing jurisdiction in question, Buyer will bear all timely and applicable sales, use, or similar taxes now or hereafter properly imposed on Buyer in respect to this Order or transaction.

b. Seller agrees to notify Buyer promptly of any proposed or contemplated assessment of additional taxes to be borne by Buyer under subparagraph (a) of this Taxes clause as the result of an audit or other tax review by an applicable governmental agency, prior to payment of such proposed additional taxes. Buyer’s obligation to pay such additional tax is subject to such notification permitting Buyer to review the findings of the alleged tax increase prior to payment.

c. Seller further agrees to take all steps necessary (as requested by Buyer, on account of Buyer, and in cooperation with Buyer) to secure any applicable refunds of any such taxes borne by Buyer under subparagraph (a) of this Taxes clause when such taxes paid by Buyer in whole or in part are subsequently deemed inapplicable.

31. SUBCONTRACTING

a. Seller shall notify Buyer before subcontracting 50% or more of the Order.

b. This is not a restriction on authorized distributors, dealers, wholesaler or industrial suppliers; the purchase of raw materials or standard commercial articles is not a subcontract within the meaning of this Subcontracting clause.

c. Seller shall require that its subcontractors adhere to this same requirement.
32. FORCE MAJEURE
a. Neither Seller nor Buyer shall be liable for any failure or delay in performing its obligations hereunder, or for any loss or damage resulting therefrom, due to any cause beyond their reasonable control and without their fault or negligence. Such causes include, but are not limited to (i) acts of God, war, riot, embargos, acts of civil or military authorities, fire, flood, epidemics, terrorism, quarantine restrictions, freight embargoes, or unusually severe weather affecting either party; or (ii) similar causes beyond their control and which are not foreseeable or causes beyond the reasonable control of their subcontractors which are not foreseeable.
b. The Party whose performance is so affected shall notify the other Party in writing within 10 days after the beginning of any such cause(s). In all cases, the Parties shall use reasonable efforts to avoid or minimize all such failures or delay in performing their obligations hereunder, including exercising work-around plans or obtaining the Goods from other sources.

33. COMPLIANCE WITH LAWS
Seller agrees that in performing its duties under the Order, Seller shall comply with all applicable Federal, State and local laws, statutes, ordinances, and regulations in effect on the date of the Order, including any applicable Federal Acquisition Regulation (FAR) and/or Defense FAR Supplements (e.g., DFARS) (or other Agency-specific) flowdown from any Government Prime Contract(s) that may be awarded to Buyer subsequent to award of the Order.

U.S. Law prohibits the transfer or export of Technical Data or Defense Services without an export license to any employee or other person who is not a United States Citizen or Permanent Resident Alien, as well as to corporations or to any other entity, organization or group that is not incorporated or otherwise organized to do business in the United States.
b. Seller shall comply with all “Export Regulations” of the United States Government and the Government of any country in which the Buyer or Seller conduct business pursuant to the Order. In the event that any required approvals, clearances, and/or export or import authorizations cannot be obtained or maintained (or there is an extraordinary, significant delay in obtaining them), Seller shall immediately notify Buyer’s Authorized Procurement Representative.
c. Seller shall indemnify and save harmless Buyer from and against any and all damages, liabilities, penalties, fines, costs, and expenses, including attorney fees, arising out of claims, suit, allegations or charges of Seller’s failure to comply with all applicable “Export Regulations” of the United States. Any failure of Seller to comply with the provisions of this Export Controls clause shall be a material breach of the Order. Seller acknowledges that it will be responsible for ensuring that all U.S. Government export control requirements will be conveyed to all sub-tier suppliers or subcontractors that will be provided or may have access to Technical Data or Defense Services provided under the Order.

35. INDUSTRIAL PARTICIPATION OBLIGATIONS
a. Notwithstanding that this Order may or may not be issued in direct support of a foreign sale, Seller agrees to support Buyer’s Industrial Participation Obligations.
b. To the exclusion of all others, Seller agrees that Buyer, its subsidiaries, affiliates or its designees may use the value of the Order to satisfy Industrial Participation Obligations that Buyer may have with Seller’s country. Seller shall provide documentation or information which Buyer or its assignees may reasonably request to substantiate claims for industrial benefits or Industrial Participation Obligations credits.
c. Seller agrees to identify and retain for Buyer’s use any Industrial Participation Obligations credits generated from the content of Goods which Seller either produces itself and/or procures from suppliers for work arising out of or related to the Order. Promptly after selection of a non-U.S. supplier for work under the Order, Seller shall notify Buyer of the name, address, supplier point of contact (including telephone number) and dollar value of the subcontract. To the exclusion of all others, Seller agrees that Buyer, its subsidiaries, affiliates or its designees may use the value of such credits to satisfy Industrial Participation Obligations that Buyer may have.
d. Buyer reserves the right to assign Industrial Participation Obligation credits generated through Seller’s efforts under the Order to third parties.
e. Seller shall include the substance of this Industrial Participation Obligations clause, in favor of Buyer, in its subcontracts issued at all tiers pursuant to the Order.
36. COMMUNICATIONS
   a. Except as required by law, Buyer shall be solely responsible for all liaison and coordination with Buyer’s Government
      customer, including the Government, as it affects the Prime Contract, the Order, and any other related contract.
      Notwithstanding the foregoing, Seller may, in the normal course of business, communicate with the cognizant DCMA and
      DCAA liaison as required by federal acquisition regulations and directives. Seller shall immediately notify Buyer of any such
      communication and include a brief summary of the points discussed as related to the Order.
   b. Seller shall not communicate with Buyer’s Government customer with respect to any dispute between Seller and Buyer.

37. ASSIGNMENTS, CHANGES TO NAME AND PLACE OF MANUFACTURE

      become due hereunder, without the prior written consent of Buyer. In the event written consent is granted, Seller shall promptly
      supply Buyer with documentation supporting any such assignment.
   b. Payment to an assignee of any claim hereunder will be subject to set-off or recoupment for any present or future claims which
      Buyer may have against Seller.

38. DISPUTES
   a. All disputes between Buyer and Seller, under this Order will be submitted in writing for resolution through mutual agreement to
      ascending levels of management of the respective Parties. If the Parties’ ascending levels of management are unable, after
      good faith efforts, to settle the dispute within sixty (60) calendar days after the dispute is submitted in writing, or such later
      date as the Buyer and the Seller may have agreed in writing, either Party may submit the dispute to a court of competent
      jurisdiction. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY AGREES TO WAIVE ANY
      RIGHT IT MAY HAVE TO A TRIAL BY JURY. Notwithstanding the above, either Party may seek injunctive or other
      equitable relief, at any time, in any court of competent jurisdiction.
   b. Pending final resolution of any dispute, Seller shall proceed with performance under the Order unless otherwise instructed by
      Buyer. The rights and obligations of this clause shall survive completion of and final payment under the Order.

39. APPLICABLE LAWS
   a. The Order and any dispute arising hereunder will be governed by the laws of the state of California, without regard to its
      conflicts of laws provisions; except that any provision in the Order that is: (i) incorporated directly from or by express reference
      to the FAR or FAR supplements, (ii) contract provisions that have been flowed-down from a prime contract with the
      Government, and (iii) the Changes clause and the Termination for Convenience clause, will be construed and interpreted
      according to the federal common law of government contracts as enunciated and applied by federal judicial bodies, boards of
      contract appeals, and quasi-judicial agencies of the federal government.
   b. The 1980 U.N. Convention on Contracts for the International Sale of Goods will not apply to any sales transactions governed by
      these terms and conditions.

40. NON-WAIVER
   The failure of either Party to insist, in one or more instances upon performance or to exercise any rights will not waive or
   relinquish to any extent such Party’s right to assert or rely upon any such terms or rights on any future occasion.

41. ENTIRE AGREEMENT
   a. These terms and conditions, along with any full text FAR or FAR Agency supplement clauses, and those referenced on the
      face of the Order to which this form is attached, including other specifications or documents incorporated by reference,
      constitute the complete and exclusive agreement between Buyer and Seller, and supersede all previous negotiations,
      discussions, communications, representations, agreements, arrangements or understandings, whether written or oral, between
      the Parties related to the subject matter of the Order.
   b. No course of prior dealings between the Buyer or Seller, and no usage of trade, will be relevant to supplement or explain any
      term used in the Order.
   c. No agreement or understanding varying or extending the terms or conditions of the Order will be binding unless executed in
      writing by Buyer’s Authorized Procurement Representative.
d. If any provision of this Order is declared to be invalid, illegal or unenforceable by a court of competent jurisdiction, the remainder of the provisions in the Order will remain valid, enforceable and in full force and effect, and the Parties will negotiate in good faith to substitute a provision of like economic intent and effect.
